

**Position: Engineering Summer Student**

**Overview:**

Teine Energy Ltd. is a private oil and gas company focused on plays in Saskatchewan and Alberta. We are currently looking for an Engineering summer student to join our team in the Calgary head office. The successful candidate will have the opportunity to participate in a wide range of meaningful assignments and work closely with experienced Professional Engineers from many disciplines. This position will be available for a 4-month term starting May 3, 2021.

**Summary of Duties:**

- Evaluate well performance
- Conducting project feasibility studies and economic evaluations
- Assist with the identifying and loading of technical pipeline and facility information into Asset Integrity Management system
- Develop new infrastructure maps for company lands, including detailed capacities of area Gas Plants and Sales Oil Terminals/Tie In Points
- Assist with or lead pipeline modelling project as directed by Facility Engineering.
- Assist Production Team with Carbon Emissions studies and data gathering
- Compile competitor analysis within certain play areas.
- Third Party asset review: Reserves, Wellbore Liability, Infrastructure Summary.
- Field visits may be required

**Preferred Qualifications and Skills:**

- Must be currently enrolled in a University Engineering Program, preference will be given to 3<sup>rd</sup> and 4<sup>th</sup> year students (Petroleum, Chemical, Mechanical).
- Strong academic background in Engineering.
- Some oil and gas experience would be an asset.
- Experience with a range of software and database programs.
- Ability to work effectively in a team environment.
- Demonstrated written and verbal communication skills.
- Strong work ethic.
- Capability to work effectively with minimal supervision on projects with defined scope and objectives.

Please apply online by January 31, 2021 and submit your resume to <https://www.teine-energy.com/careers/>

**We appreciate the interest of all applicants, however, only those candidates to be interviewed will be contacted.**
