

Position: Field Safety Advisor

Overview:

Teine Energy Ltd. (Teine) is a privately-held company in strategic partnership with Canadian Pension Plan Investments (CPP Investments). With productive assets in Alberta and Saskatchewan, we are a low-cost operator, focused on scalable, long-term profitability. At Teine, we are driven by our most important asset – our people. Our young, dynamic team thrives on industry disruption and works together to find innovative solutions to everyday challenges. Continual improvement is in our DNA. Integrity, accountability, and humility define our character and teamwork is our keystone. We are a proud employer of energy professionals and embrace Canadian's demand for domestically produced environmentally responsible, and ethically sourced energy.

Teine Energy Ltd has an immediate position opening for a full time **Field Safety Advisor** for the Kindersley Area. The successful applicant will report to the HSE Field Team Lead.

Responsibilities:

- Conducts safety meetings, audits, and inspections to ensure compliance, evaluate performance, identify corrective action, and implement follow up assessments.
- Plan, implement, and conduct safety and compliance training programs.
- Provide Operations, Drilling, Completion and Construction teams with guidance on health and safety regulations.
- Ensure that all work is performed in accordance with internal policies, procedures, and good engineering practices.
- Participate in daily team meetings and provides regular on-site presence.
- Provide training and mentorship as needed.

Required Qualifications and Skills:

- Must have a clean driver abstract as job involves extensive travel around Kindersley and the surrounding areas.
- 5 days on, 2 days off with an expectation to be on call every second weekend.
- Must be able to work off hours in respect to incidents, as required.
- Minimum 10 years of Oilfield/Safety experience.
- Must be organized and able to multitask.
- Self motivated with a strong work ethic and the ability to work independently.
- Strong interpersonal and communication skills are a must.
- Strong computer and MS Suite skills required.
- The ideal candidate is familiar with and resides in the Kindersley area.
- Applicant must demonstrate Teine Energy's core competencies of Awareness & Accountability, Resilience, Innovative Thinking, Results-focus, and Technical Excellence.

Please apply online by **May 14, 2021** and submit your resume to www.teine-energy.com/careers

We appreciate the interest of all applicants, however, only those candidates to be interviewed will be contacted.
